

Re-opening of the Neonicotinoid Public Comment Period. On March 19, 2020, the agency announced the re-opening of the public comment period for the neonicotinoids for 30 days. The agency approved the additional comment period after receiving comments requesting the extension due to recent time constraints and delays. (Matthew Khan, 703-347-8613; Jonathan Williams, 703-347-0670).
